

MARDIE SALT AND POTASH PROJECT

EXPRESSION OF INTEREST

Project Overview:

The proposed Mardie Salt & Potash Project (**Project**) is located within Australia’s major salt producing region on the West Pilbara coast. The Project is proposing to be Australia’s first to produce salt and Sulphate of Potash (**SOP**) through the evaporation of seawater.

Package Title:

Salt Wash Plant & Stockyard

Package Reference:

1000-EPC-MAR001

Package Description:

The Scope of Work covers to provision of labour, plant and equipment, materials, management, supervision and other things necessary to carry out the design and construction of salt wash plant and stockyard.

Scope Requirements:

Contractors wishing to be considered must be able to demonstrate their ability to design and construct a salt wash plant and stockyard inclusive of the following:

- stainless-steel 700tph salt wash plant (comprising of a hydroextractor, elutriator, clarifier, filtration vessel, centrifuge and pumps);
- sulphate of potash product dump station;
- two (2) x 1500tph reclaim dozer traps;
- 3000tph cross feed conveyor;
- Six (6) x gypsum settling ponds
- 100m radial stacker with stockpile capacity 0.6Mt;
- various ponds;
- civil works (detailed earthworks, concrete slabs and footings); and
- electrical works, testing, commissioning and handover.

Exclusions from the Scope of Works:

- bulk earthworks; and
- shire approvals and permits.

Contracting Strategy:	The works will be “Design and Construct” contract with a Company provided commercial terms.
Forecast Award Date:	Q3 2021
Forecast Construction Commencement Date:	Q2 2022
Package-Specific Criteria:	Salt wash plant has a 25-year service life
Pre-Qualification Requirements:	Contractor is required to demonstrated similar scale of works and complexity for the stated scope and be willing to provide past project references (and if necessary, site visits to past projects) to establish market capability to carry out the works.
Expression of Interest:	<p>Contractors are invited to express an interest in this scope of work by registering on the ICN Gateway online platform. Please ensure:</p> <ul style="list-style-type: none">• The Company profile on ICN Gateway is complete, up-to-date and accurate; and• Interest is registered as full-scope or partial-scope supplier (where applicable); and
Disclaimer:	<p><i>This package description and target award date is indicative only and subject to change. It is intended to provide a brief outline only of certain works that may be required for the proposed Mardie Project and should be read in conjunction with the Project description on the ICN Gateway. Full scopes of work will be made available to parties invited to tender. There is no undertaking to contract or proceed to a competitive process implied by this EOI. Further contact with interested suppliers will be at BCI Minerals discretion.</i></p>
